COUNT US IN

Volunteers Needed for the Prince William Area Continuum of Care 2024 Point-in-Time Count

What is the Point-in-Time Count?

The Point-in-Time (PIT) Count is a literal count of persons experiencing homelessness that occurs in January each year and is a requirement for agencies receiving federal funding for programs serving homeless persons. The count is completed by conducting surveys with persons actively experiencing homelessness at locations known as "encampments" throughout Prince William County and the cities of Manassas and Manassas Park.

Why is the PIT Count Important?

The PIT Count provides a "snapshot" of the nature and extent of homelessness in our area. The data collected is used to inform funding decisions and resource planning, identify service gaps and raise public awareness about homelessness.

When is the PIT Count?

The 2024 PIT Count will begin on **Wednesday, January 24** and end on **Thursday, January 25**. The count will be conducted in multiple "shifts" throughout the 24-hour period. In case of inclement weather, the backup dates are January 25–26, 2024.

How to Volunteer

Scan the QR code or visit bit.ly/2024-PWA-PIT to learn more about volunteer requirements and responsibilities or to register for the PIT Count. When completing the registration, select the date you would like to attend training first, and then you will be prompted to provide additional information, such as your preferred "shift."

REMINDER: Registration is Open for Polar Plunge 2024

Are you brave enough to weather the February elements in support of a worthy cause?

If so, registration has opened for the 2024 Polar Plunge to benefit Special Olympics Virginia. This year's event is at Leesylvania State Park, 2001 Daniel K. Ludwig Dr., Woodbridge (22191) on Saturday, Feb. 17, 2024.

The Prince William County Police Department is looking for hardy individuals – or teams of family, friends, co-workers, or organizations – willing to brave the cold temperatures on land, and in the water, to help raise money for Special Olympics.

- Take the “Plunge,” either as an individual or as a team that you put together with friends, neighbors, family or co-workers. Join Team PWCPD and start fundraising!
- Donate funds (if crazy, fun action is not your thing).
- Come out and cheer everyone on.

There'll be live music, games, door prizes, food trucks, law enforcement displays and more, including a costume contest and, of course, a chilly plunge into the Potomac River!

The Polar Plunge benefits Special Olympics, an organization which is supported by law enforcement officers throughout the United States and in 45 countries.
