DALE CITY 4TH OF JULY PARADE

"As the Neabsco District Supervisor, I am deeply committed to fostering a strong sense of community and civic engagement within our district. One of the most cherished traditions in our area is the Dale City 4th of July parade – an event that brings together residents from all walks of life to celebrate our shared values and heritage.

It has come to my attention that there is a need for funding to support the participation of our local law enforcement agencies in this year's parade. While the requested amount of \$25,000 was not included in the FY25 budget, **I am actively working to secure the necessary funding through community fundraisers and donations.** I firmly believe that the Dale City 4th of July parade is a cornerstone of our community, and it is essential that we come together to ensure its continued success."
